

## Celebrate the Season of Sharing

Santa's letting us borrow his sleigh so we can fill it with lot of goodies for children and families served by [House of Refuge](#). Located near Phoenix-Mesa Gateway Airport, House of Refuge provides a stable, family-friendly environment for those in crisis due to homelessness.

In support of the annual House of Refuge Santa Shop event, residents are encouraged to donate new gift items for parents and children. Simply bring your donations to A Very Merry Eastmark on Saturday, Dec. 3, and help us fill the sleigh!

- Stocking stuffers for all ages (anything that as a parent you would like to find in your stocking, or would think of giving to a child!)
- Gifts for parents: robes, slippers, coffee mugs, pamper sets (nail files, nail polish), journals, calendars, planners
- Nice hand creams
- Gift cards
- New children's toys, clothing, and shoes (birth to teen)
- Bikes and scooter
